

One live map. Priced to grow with you.

Start free. Each tier stacks on the one below it — you only pay for the next step when you need it. Riders keep the beacons they already own.

1

Free

Ride & share.

\$0 forever

Start here — free

- ✓ Live tracking from the beacon you already own — inReach, SPOT, ZOLEO
- ✓ Group ride — up to **10 riders** on one map
- ✓ Emergency ICE card with QR
- ✓ Share your live ride with family — just a link, no app
- ✓ Join any event with a code
- ✓ 30 days of ride history

2

Individual

For the rider who's always out there.

\$15 / year

+ Everything in Free

- ✓ **Unlimited** ride history — every trip kept
- ✓ Privacy zones — hide your home or start point
- ✓ Shareable trip stories — a replay link of any ride
- ✓ Priority in the RallyTrak cellular apps

3

Individual Plus MOST POPULAR

The full picture, weather and all.

\$29 / year

+ Everything in Individual

- ✓ Live **weather & radar** on your map
- ✓ Custom share page — your name, no Waypoint branding
- ✓ **Radar timelapse** — see the cell move before you ride in
- ✓ Priority support — a real person, fast

4

Event

Run a real event.

\$200 / event

+ Everything in Individual Plus

- ✓ **40 rider seats** (+\$40 per 10) — or riders pay to join
- ✓ Google Earth Pro recovery feed — logged, revocable
- ✓ Make it **private** — seen only by your team
- ✓ Command view — live recovery & race control
- ✓ Embed the live map on your website

5

Org / Series

For promoters & teams running many events.

\$3,500 / year

+ Everything in Event

- ✓ **1,500-rider pool** across unlimited events
- ✓ Every event can be private
- ✓ White-label — your logo & colors everywhere
- ✓ Priority support

Prefer riders to pay their own way? Any event can switch to entrant-paid — each rider pays at registration by event length: up to 3 days \$10 · up to 7 days \$12 · up to 30 days \$15. Event & Org include the personal features for the organizer's own account.
